

ENVIRONMENTAL POLICY STATEMENT

NNR Global Logistics UK Limited (hereafter referred to as 'the Company') shall conduct all of its operations with due regard to the environment and the health and safety of our employees, customers and the general public. The Company is committed to continuous, overall environmental improvement and the prevention of pollution.

We will conform to, or exceed, all regulatory and legal requirements affecting the environment and strictly comply with the requirements of other codes of practice to which the organisation subscribes.

We will endeavour to:

- Based on the severity of the environmental impact, systematically eliminate or, where this is impractical, minimise any releases to air, land and water.
- Establish publicly available objectives for environmental improvement at each of our facilities and continually assess our performance using a system of audits.
- Promote and undertake educational programmes on environmental matters for our employees to enable them to contribute to the Company's aims.
- Regarding palletising and packing, the Company will endeavour to recycle, recovery or re-use in order to minimise the use of material.

Adherence to our Environmental and Health and Safety policies is central to the Company's business operations. We shall seek to ensure that NNR Global Logistics UK Limited continues to make a significant contribution to improving the environment.
